## Xtreme DHT Inhibitor

Xtreme DHT Inhibitor & Total Hair Nutrient is a 3-in-1 natural dietary supplement designed to arrest pattern hair loss in both men and women of all ethnicities. This clinically proven formula helps to protect the hair from the harmful effects of DHT, the major cause of hair loss, as well as to provide all the essential hair nutrients lacking in our daily diet.

A one step oral solution that gives your hair the nutrients it needs to thrive optimally while fighting DHT† with 8 DHT Inhibitors, Xtreme Hair Nutrition, and a unique Marine Growth Complex™ with clinically proven ingredients to stop hair loss and re-grow hair.

Xtreme DHT Inhibitor & Total Hair Nutrient helps the hair to become stronger, fuller and revitalize faster and was designed specifically to promote longer, stronger, more beautiful looking hair.

## Xtreme Hair Boost

Xtreme Hair Boost™ is an enhanced clinically proven growth formula combined with Saw Palmetto Extract, to inhibit DHT topically, while speeding up the hair development cycle. Xtreme Hair Boost™ is suggested for men and women with aggressive hair loss.

Provides a better delivery system when used with Scalp Prep to dissolve sebum build up, enabling the penetration of Xtreme Hair Boost or Xtreme Growth Therapy for maximum effectiveness.

It helps restore hair strength, thickness and volume.

## Xtreme Growth Therapy

A unique natural formula designed for men and women in the early stages of hair loss, thinning hair and broken or damaged hair. Scientifically proven to stimulate your hair due in large part to its high percentage of panthenol and cysteine, a keratin protein which is the basic protein found in human hair. Provides the hair with protein building nutrients and B vitamins designed to penetrate the hair follicle to help with hair vitality and strength.

Xtreme Growth Therapy has a proven stimulator which aids in the delivery of vitamins to the follicle root. Revitalizes and conditions the hair and scalp, relieving the scalp of dryness while encouraging the appearance of healthier, fuller and thicker looking hair.

## Scalp Prep

Revitalize your scalp by removing excessive sebum oils and debris, which restrict fragile hairs from growing enabling maximum hair growth. Clinically proven and laboratory tested to work beneath the scalp surface to increase the flow of nutrients to the hair follicle's root. Scalp Prep contains a high concentration of B Vitamins to help strengthen hair. Scalp Prep significantly aids in the penetration of topical hair loss products including Xtreme Growth Therapy, Xtreme Hair Boost and Minoxidil for maximum effectiveness.

## Bio-Cure Shampoo

An herbal DHT Inhibiting Shampoo designed to gently cleanse the scalp of dirt, pollution and DHT. This unique blend of 11 DHT inhibitors will also help inhibit DHT, which has been found to be the primary cause of hair loss, particularly when used as part of the XTC Hair Growth System. Bio-Cure Shampoo helps in promoting healthy follicle stimulation and the production of hair stimulating keratin protein. This specially formulated shampoo is free of sulfates, cocamide DEA and parabens and helps hair look stronger, thicker and provides moisture and shine to all hair types.

## Nourish + Conditioner

Restores moisture to the hair and scalp by acting as a moisturizer and conditioner. It provides all the essential vitamins and minerals to the hair shaft. Nourish + Conditioner adds fullness and shine to all hair types, and 25 Vitamins, Minerals, and Amino Acids necessary for healthy hair. It protects hair from frequent washing, photo-aging, and damage from brushing.

A truly unique conditioner that helps hair look fuller and thicker.
